- We will only arrange for funds to be debited from your account as authorised in the direct debit request.
- If the debit day falls on a day that is not a business day, we may direct your financial institution to debit your account on the preceding business day.

Changes By Us

We may vary any details of this agreement or a direct debit request at any time by giving you at least fourteen (14) days written notice.

Changes By You

If you wish to stop, defer or cancel a debit payment, you must notify the organization that established this Agreement (e.g. School) in writing at least five (5) days before the next debit day.

Your Obligations

- It is your responsibility to ensure that there are sufficient clear funds available in your account to allow a debit payment to be made in accordance with the direct debit request.
- If there are insufficient clear funds in your account to meet a debit payment:
 - a) You may be charged a fee and/or interest by your financial institution
 - b) You may also incur fees or charges imposed or incurred by us, and
 - c) You must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment. You should check your account statement to verify that the amounts debited from your account are correct.

Dispute

- If you believe that there has been an error in debiting your account, you should notify us directly on (03) 6208 6260 and confirm that notice in writing with us as soon as possible so that we can resolve your query more quickly.
- If we conclude as a result of our investigations that your account has been incorrectly debited we will respond to your query by arranging for your financial institution to adjust your account (including interest and charges) accordingly. We will also notify you in writing of the amount by which your account has been adjusted.
- If we conclude as a result of our investigations that your account has not been incorrectly debited we will respond to your query by providing you with reasons and any evidence for this finding.
- Any queries you may have about an error made in debiting your account should be directed to us in the first instance so that we can attempt to resolve the matter between you and us. If we cannot resolve the matter you can still refer it to your financial institution that will obtain details from you of the disputed transaction and may lodge a claim on your behalf.

Accounts

- You should check:
 - a) With your financial institution whether direct debiting is available from my/our account as direct debiting is not available on all accounts offered by financial institutions.
 - b) Your account details which you have provided to us are correct by checking them against a recent account statement.
 - c) With your financial institution before completing the direct debit request if you have any queries about how to complete the direct debit request.
